*He who falls from God's right hand*
*is always caught in his left*

*Be my friend,*

*and I'll be yours*

29227

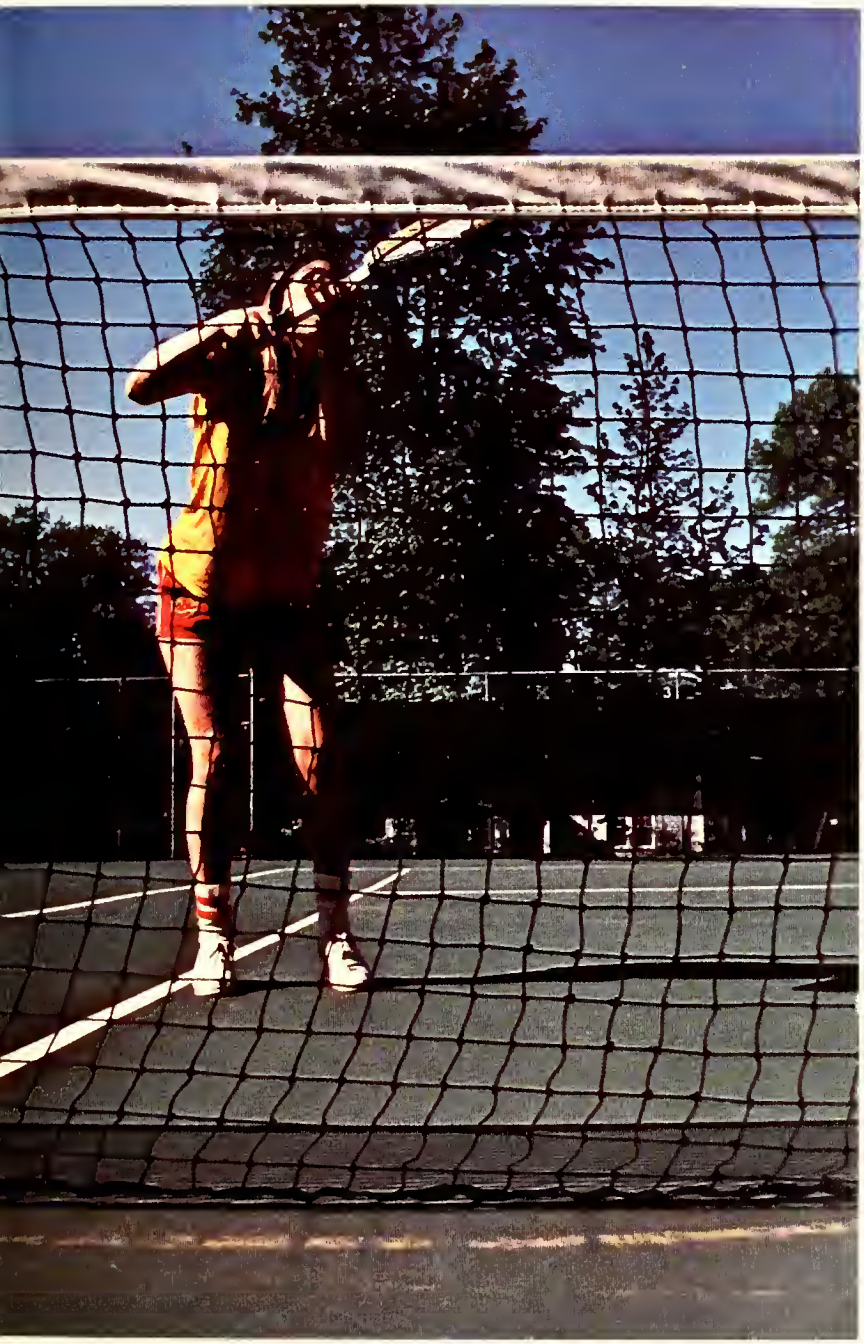
*God has put something noble and good into every heart his hand created*

*We unchain ourselves from the clamor of the city and travel the quiet fields of our minds*

*Little minds are tamed and subdued by misfortunes, but great minds rise above it*

*Every spirit builds itself a house, and beyond its house a world, and beyond its world a heaven*

*Love is like potato salad–*
*share it and you'll have a*
*picnic*



*The mountain of ambition is marked not only by the height of its reach, but also by its bumps and curves*

*Happiness comes of the capacity to feel deeply,*

*to enjoy simplicity, to think freely,*

*to want to be needed*

*Come my friend and let's cross this way, for the sky has awakened and God has unfolded the hills and valleys of Life*

*People all share the same face until they knock on my mind and walk gently into my heart*

*I laugh to capture joy*

*I laugh to hear my heart ring*

*I laugh to let hope shout what's inside me*

*Now the sighing of my heart*
*is heavy because I must*
*leave them to walk a*
*different path . . .*
*I do not want to walk in*
*loneliness, but I must step*
*aside silently and watch as*
*they pass into tomorrow*

*In the dew of little things,*
*the heart finds its morning*
*and is refreshed . . .*
*and in this morning, let*
*there be friendship,*
*laughter, and the sharing of*
*happiness*

# DEDICATION OF THE RANKIN TERRACE

The dedication of the Nancy O'Herron Rankin Terrace occured October 4, 1972. The unveiling of the plaque revealed the following:

In Happy Memory

Nancy O'Herron Rankin

# FATHER DAUGHTER DAY

A very special day is set aside each year in order that the girls of St. Mary's can entertain their fathers with some of the activities they experience day to day. This year fathers were able to audit classes, view an alumnae-student basketball game coached by Norm Sloan and Dean Smith, participate in chapel activities, and also be entertained by the Cold Cuts. The very eventful day ended with a production of "Once Upon A Mattress" in Pittman Auditorium.

BATH

As we've watched her through many long hours of drudgery and relaxation, she has kept her cool and continued to administer to almost every girl at St. Mary's her talents and advice.

To everyone who has known her, she has been a true light in the way of darkness, and everyone who has not come to know her has been deprived of a teacher–student relationship that throughout any student's educational career would be long remembered and cherished as a well spent fraction of a lifetime.

In love and gratitude, the 1973 *Stagecoach* is dedicated to Miss Lou Jones, wishing her a most successful career in the forthcoming years.
